Thai Yoga Massage Weekend Workshop

2 days Intensive | 23rd & 24th of May

WORKSHOP DESCRIPTION

THE ASOKANANDA BLUEPRINT: ARCHITECTURE OF THE SACRED DANCE

Stop "Massaging." Start Navigating.

Most practitioners are wandering in the dark, guessing at movements they saw on YouTube. They are tired, their thumbs are ruined, and their results are inconsistent.

On May 23rd & 24th, we stop the guesswork.

The Gold Standard: **The Master Asokananda Lineage**

This isn't "modern fluff." You are being initiated into the most respected, rigorous, and technically precise foundation using natural movement. Your Teacher Kru Gab acts as your bridge. With 20 years of international experience—from the clinical spas of New Zealand to the sacred temples of Chiang Mai—he is here to hand you a 2,500-year-old blueprint.

Learning Outcome

We've will share these 2 days to maximize your "Dream Outcome" while eliminating your physical pain.

1. Biomechanical Superiority: Use your knees, feet, and elbows as precision tools. Save your thumbs; extend your career.
2. The Asokananda Blueprint: 50+ postures mapping the entire body. No gaps. No "filler" moves.
3. Sen Line Work: The science of unblocking energy channels to trigger deep neurological relaxation.
4. Effortless Flow: The "Invisible Transition." Keep your client in a deep meditative state from minute 1 to 120.

The Merit of the Decisive

Abundance rewards those who move with intention.

The Early Bird Blessing: €220 (When you commit before May 13th).

The Duo Strategy: €400 for two. (Bring a partner, build a practice for life).

General Fee: €300.

Palma is full of "nice" massages. Palma is full of "nice" massages. This is an ancient art that gives you real results. No oil. No cream. Just the pure, raw power of the Chiang Mai Tradition. We prioritise the depth of the container over the size of the crowd. Spaces are strictly limited. The cycle closes soon.
